

Masters with Masters

The Academy of Program/Project & Engineering Leadership presents “Masters with Masters,” a series that will bring together two master practitioners to reflect on their experiences, lessons learned, and thoughts about upcoming challenges.

The Academy has developed “Masters with Masters” as part of its ongoing efforts to create a cohesive community of project management and engineering practitioners across NASA. This series will engage master practitioners in a conversation that yields fresh insights and promotes reflection and open sharing.

Special Guest Speakers:

John Mather

Goddard Space Flight Center, Sr. Astrophysicist, JWST Sr. Project Specialist

Dennis McCarthy

Hawk Institute for Space Sciences, Chief Technology Officer

When: Thursday, October 29, 2009

Time: 10:00 a.m. – 11:00 a.m., EST

Where: NASA Headquarters, Auditorium
300 E St SW Washington, D.C.

Please RSVP to Mai Ebert, mai.ebert@asrcms.com
